

Bash to the Beach Course Spotter

Thank you so much for volunteering to help with the Bash.

To help with your spotting activities, you have been provided with 1 red flag and 1 green flag for each hole. Use is pretty simple (lol).

- If the player's ball goes out of bounds or into a hazard, wave the red flag.
- If the player's ball is not OB or in a hazard, wave the green flag.
- If there is any question about the USGA rules of play, please contact Winnie Sewell by calling her cell phone **443-995-7029**. Winnie will be our rules official for the day and will be roaming between holes 6 and 7 where we get most of our problems.
- If you have any questions or problems not resolved about, please call me at **302-528-4003** or the Pro Shop at **302-227-8953**.

On behalf of the DWGA Board, thank you.

Sherry
